BUDGET WORKSHOP

Water/Wastewater Plants Supervisor Wendy Emmel gave a Power Point presentation regarding a new water rate tier to the council. If the council does not raise the minimum rate amount and only change the tier, those customers that do not use more than 2,000 gallons of water a month will not see an increase in water rates. She provided a chart graph that shows how White Oak is below the local water rate average by \$7.35 per 5,000 gallons and is below the state water rate average by \$9.49 per 5,000 gallons.

City Secretary Sherry Roberts gave a brief Power Point presentation of changes to the budget since the previous workshop on August 22nd.

There was discussion between Council regarding different parts of the budget and questions asked and answered. Mayor May stated the council would have a final budget to vote on at the regular monthly meeting at 6:00p.m. on September 13, 2011.
