**CITIZEN COMMENTS**

None.

Mayor May publicly thanked and expressed his appreciation to Selina Tabor for consistently attending the city council meetings.

**CONSIDER AND/OR APPROVE** Resolution 2015-09 submitting names of nominees for election to the Gregg Appraisal District Board of Directors.

City Coordinator Smith explained that in the past, Council has not submitted names to the Appraisal District, but have waited to vote on nominees.

The Council did not take any action on this item.

**CONSIDER AND/OR APPROVE** Resolution 2015-10 approving a grant incentive to Weezer's Graphics. City Coordinator Smith explained the resolution and how cities under 20,000 in population are able to grant incentives to help recruit and retain businesses, whereas larger cities are not allowed this incentive method. Anything over \$10,000 must be heard by the city council in the form of a resolution twice before approval.

The second hearing and final approval will be during the November regular meeting. There will be a performance agreement with stipulations and a default clause. This particular performance agreement is not for equipment; it is a \$15,000 grant incentive for inventory. City Coordinator Smith informed the Council that WOEDCO is in the best shape that he has ever seen with a fund balance of nearly \$700,000.

Motion to approve by Councilmember Hood, second by Councilmember Kutch. Carried unanimously.

**CONSIDER AND/OR APPROVE** Agreement with the Humane Society of Northeast Texas for Fiscal Year 2015/2016.

City Coordinator Smith informed the Council that the City took approximately 317 animals to the shelter. He explained the Humane Society did not increase our annual amount, but the only thing they changed was the verbiage that the contract will end either September 30, 2015 or when the new Longview Animal Shelter opens.

Mayor May explained that he has had discussion with others about the new Longview Animal Shelter. He stated his opinion is that the City should not pay the Longview Animal Shelter more than what the Humane Society receives according to their agreement. He stated the future is unknown at this point, but it is not fair to double the City's rates because they chose to build a \$5.7 million facility.

Councilmember Noll made the motion to approve, seconded by Councilmember Hood. Carried unanimously.

**CONSIDER AND/OR APPROVE** Resolution 2015-10 approving a grant incentive to Weezer's Graphics. (2<sup>nd</sup> reading required).

This agenda item was unnecessary as it will be on the November meeting.
