

TRANSPORTATION SURVEY

LONGVIEW METROPOLITAN PLANNING ORGANIZATION

The Longview Metropolitan Planning Organization (MPO) is responsible for coordinated and comprehensive transportation planning for the greater Longview area. This survey is designed to help us answer important questions regarding the future of transportation in the area. Your feedback will help us develop our long-term plan update.

Survey is also available online at www.LongviewMPO.com

1) In what zip code do you live? 756 ____ What zip code does your daily commute take you? 756 ____
(Work, School, Shopping, etc.)

2) How do you commute to work/school *most of the time*?

- | | | | |
|---|---------------------------------------|--|---|
| <input type="checkbox"/> Walk | <input type="checkbox"/> Bicycle | <input type="checkbox"/> Automobile (Alone) | <input type="checkbox"/> Automobile (Carpool) |
| <input type="checkbox"/> Motorcycle/Scooter | <input type="checkbox"/> Bus/ Transit | <input type="checkbox"/> Work from home/ Telecommute | <input type="checkbox"/> None of these |

3) If you were unable to use your primary mode when commuting (Example: If your car broke down), what would you use? Number your top three (3) choices. Do not select your primary mode as an alternative.

- | | | | |
|---|---------------------------------------|--|---|
| <input type="checkbox"/> Walk | <input type="checkbox"/> Bicycle | <input type="checkbox"/> Automobile (Alone) | <input type="checkbox"/> Automobile (Carpool) |
| <input type="checkbox"/> Motorcycle/Scooter | <input type="checkbox"/> Bus/ Transit | <input type="checkbox"/> Work from home/ Telecommute | <input type="checkbox"/> None of these |

4) Have you ever ridden Longview Transit? Yes No

5) If you don't ride Longview Transit, which of the following would make it more appealing? If you do ride, what can be done to make it better? (Select all that apply)

- | | | |
|---|--|--|
| <input type="checkbox"/> More convenient routes/ times | <input type="checkbox"/> Cleaner buses | <input type="checkbox"/> Friendly and helpful drivers |
| <input type="checkbox"/> Increase safety on board the bus | <input type="checkbox"/> More bus shelters | <input type="checkbox"/> A cell phone application to inform riders of when their bus will arrive at their location |
| <input type="checkbox"/> Other _____ | | |

6) From where you live, how would you rate travel conditions when traveling to school, work and shopping?

7) If you only had \$100 to spend on transportation improvements, how would you spend it? Assign a cost to each improvement in value from \$0 to \$100.

- | | |
|--|--|
| \$ <input type="text"/> Build new sidewalks and improving existing pedestrian facilities. | \$ <input type="text"/> Improve street appearance
<i>Plantings, landscaping, and lighting</i> |
| \$ <input type="text"/> Bike lanes | \$ <input type="text"/> Improve signal timing at intersections |
| \$ <input type="text"/> Pedestrian improvements
<i>Crossings, Signals, and Street Lighting for Safety</i> | \$ <input type="text"/> Maintain pavement of existing Roadways |
| \$ <input type="text"/> Improve and expand public transportation | \$ <input type="text"/> Widen existing/ build new roadways |

Your total must equal and not exceed \$100

8) Would you support finding new solutions to help fund transportation projects in our area?

Yes, I would support finding new funding options

No, make better use of existing money

9) If you answered Yes to the previous question, which of the following would you support?

	Would Support	Would NOT Support
Increase the gas tax	<input type="checkbox"/>	<input type="checkbox"/>
Tax individuals based on miles driven	<input type="checkbox"/>	<input type="checkbox"/>
Increase vehicle registration fees	<input type="checkbox"/>	<input type="checkbox"/>
Tolls when using certain lanes & roads	<input type="checkbox"/>	<input type="checkbox"/>
Government bonds, borrowing	<input type="checkbox"/>	<input type="checkbox"/>

10) Thinking ahead 25 years from now, what are the three (3) most important transportation challenges facing our area? (Please rank 1 as the most important and 3 as third most important)

Deteriorating pavement

Performance of traffic signals

Frequency of transit buses on each route

Retail, commercial, and residential development patterns

Lack of neighborhoods and areas served by transit

Traffic congestion

Pedestrian safety

11) Please rank the importance of the elements that should be considered when prioritizing transportation improvements. (1 is most important; 9 is least important)

Attracting businesses to the region

Boosting tourism

Creating jobs

Providing better access to jobs and shopping

Reducing congestion

Preserving the environment

Reducing accidents

Pedestrian & bike friendly streets

Transit-oriented development

12) Which roads do you avoid because of congestion?

Did we miss anything you'd like to tell us?

Please mail completed survey to the Longview MPO at P.O. Box 1952, Longview, TX, 75606

If you would like to receive transportation updates, please provide an email address to which important transportation planning information can be sent
