DISCUSSION regarding the performance agreement with Sat-Lite Company.

City Coordinator Smith explained there needs to be at least five employees to begin and at completion, there will be approximately twenty employees. The cost of the building will begin at \$300,000 and a five-year commitment for location. The applicant would like to talk to Greg Hulett on the properties next to theirs about the right of first refusal in case of there is a need for expansion.

President Cash stated he believed that WOEDCO should do a five-year location stipulation on all agreements that involve land.
